KEISHA KIUME

AGENDA

1. To create a platform for Afro descendant and Caribbean artists to come together and present their different cultures to the world, more so the upcoming artists who struggle to find platforms to grow their talents.

2. To preserve our cultures while living in the diaspora through promotion of cultural diversity as a means towards appreciating our heritage and cultural values.

3. Spreading awareness in the society about the importance of culture as a tool for peace and understanding among the peoples of the world.

4. To bring people together to share and educate others across all human race about our African cultures in a bid to create tolerance and understanding towards one another even though we all come from diverse cultural backgrounds.

INTRODUCTION

AFROCENTRIQUE FESTIVAL is a cultural event organized by Keisha Kiume, through REKAMATISER association. Keisha Kenyan upcoming fashion designer for African products and a fashion design student based in Paris.

The event above all aims to bring together the afro descendants and Caribbeans from various countries through culture, music, fashion and food as a means of preserving culture and heritage while at the same time getting to spread awareness of the same to the people living in the European diaspora, Moreso children born in the diaspora and have not had the opportunity to experience their native cultures from their parents' countries of origin.

This will enhance culture preservation from generation to generation. It is also a platform that will give an opportunity to talented artists who, in the competitive market in Paris lack media and financial means needed to spread awareness about their talents.
